

## Elephant conservation (Elephantidae spp.)

---

### ***Directed to the Secretariat***

14.78 In preparation for the 65th and 66th meetings of the Standing Committee, pending the necessary external funding, the Secretariat shall:  
(Rev. CoP16)

- a) produce an updated analysis of MIKE data, pending the availability of adequate new MIKE data;
- b) invite TRAFFIC to submit an updated analysis of ETIS data and UNEP-WCMC to provide an overview of the latest elephant trade data;
- c) invite the IUCN/SSC African and Asian Elephant Specialist Groups to submit any new and relevant information on the conservation status of elephants, and on pertinent conservation actions and management strategies; and
- d) invite the African elephant range States to provide information on progress made in the implementation of the *African elephant action plan*.

On the basis of the information specified above, the Secretariat shall recommend actions for consideration by the Standing Committee.
