- 16.33 By the 66th meeting of the Standing Committee (SC66), Parties whose legislation is in Category 2 or 3 under the National Legislation Project and which have been party to the Convention for more than five years as of March 2013 should submit to the Secretariat, in one of the working languages of the Convention, appropriate measures that have been adopted for effective implementation of the Convention.
- 16.34 For any Party affected by Decision 16.33 that has been party to the Convention for less than 20 years, should exceptional circumstances prevent them from adopting appropriate measures for effective implementation of the Convention, that Party should advise the Secretariat in writing of those exceptional circumstances by SC66.
- 16.35 Parties whose legislation is in Category 1 under the National Legislation Project are encouraged to provide technical or financial assistance to one or more Parties whose legislation is in Category 2 or 3 under the National Legislation Project.

### ***Directed to the Standing Committee***

- 16.36 The Standing Committee shall review at its 65th, 66th and 67th meetings the progress of Parties in adopting appropriate measures for effective implementation of the Convention.
- 16.37 At its 66th meeting, the Standing Committee shall recommend a suspension of commercial trade in specimens of CITES-listed species with those Parties affected by Decision 16.33 that have failed to adopt appropriate measures for the effective implementation of the Convention. This recommendation shall take effect 60 days after the conclusion of SC66. Should exceptional circumstances prevent any Party affected by Decision 16.33 that has been party to the Convention for less than 20 years from enacting legislation by SC66, the Standing Committee shall review the situation and determine appropriate measures for addressing it. Any Party affected by Decision 16.33 that has been party to the Convention for 20 years or more and has failed to adopt appropriate measures or agree an appropriate legislative timetable with the Secretariat by SC66 will be subject to recommendations to suspend trade. The Standing Committee will not make recommendations to suspend trade where a Party has submitted its final draft or an appropriate legislative timetable to the Secretariat by the SC66 deadline and it is pending action from the Secretariat.
