The Secretariat shall report on progress in this regard at the 65th or 66th meeting of the Standing Committee, as appropriate; and
- b) seek invitations from Parties that have carried out significant seizures of CITES specimens, for the Secretariat, or relevant experts, to conduct assessments of the circumstances of such seizures and the follow-up actions that were taken, so that lessons may be learned and disseminated. The Secretariat shall report its findings in this regard at the 65th and 66th meetings of the Standing Committee, as appropriate.
